THE ESSENCE OF THE  
AWATERE VALLEY

## Single Vineyard Chardonnay 2020

Our vines grow on a slender terrace at the edge of the Awaterere River, with a unique microclimate and soil structure. Influenced by a fault line, a river, and the power of the nearby Pacific Ocean, our land is stony, dry, windy and cool, elements that create wines of elegance, minerality with a lively and lingering finish. We let the untameable terroir of the Awaterere Valley express itself through our vines, grapes and ultimately wines.

### THE EXPERIENCE

Luscious and ripe with an elegant and textural palate displaying an abundance of stone fruit. The wine displays subtle oak with chalky notes adding complexity and elegance.

In Essential Awaterere fashion the finish is lively, crisp and lingering.

A delicious wine that brings together “new world” fruit and “old world” elegance and minerality.
