THE ESSENCE OF THE
AWATERE VALLEY

Single Vineyard Pinot Gris 2022

Our vines grow on a slender terrace at the edge of the Awatere River, with a unique microclimate and soil structure. Influenced by a fault line, a river, and the power of the nearby Pacific Ocean, our land is stony, dry, windy and cool, elements that create wines of elegance, minerality with a lively and lingering finish. We let the untameable terroir of the Awatere Valley express itself through our vines, grapes and ultimately wines.

THE EXPERIENCE

Lifted floral and white peach notes leading to delicious flavours of red apple, pear, white peach with a hint of spice and that Awatere Valley flinty minerality.

In Essential Awatere fashion the finish is lively, crisp and lingering.

A delicious wine that brings together “new world” fruit and “old world” elegance and minerality.
