THE ESSENCE OF THE  
AWATERE VALLEY

## Single Vineyard Sauvignon Blanc 2022

Our vines grow on a slender terrace at the edge of the Awatere River, with a unique microclimate and soil structure. Influenced by a fault line, a river, and the power of the nearby Pacific Ocean, our land is stony, dry, windy and cool, elements that create wines of elegance, minerality with a lively and lingering finish. We let the untameable terroir of the Awatere Valley express itself through our vines, grapes and ultimately wines.

### THE EXPERIENCE

Succulent fruit balanced by lovely, subtle and flinty minerality. This is a seductively powerful and moreish wine yet understated by its elegance. The nose is all about floral and nettle notes.

In Essential Awatere fashion the finish is lively, crisp and lingering.

A delicious wine that brings together “new world” fruit and “old world” elegance and minerality.
